

Alerts Module — Component Usage Matrix

Auto-generated from each component's `meta.json`. 82 components across 6 categories.

Components by category

Component	Category	Variants	States	Used on screens
<code>buttons/add-as-widget</code>	buttons	default, with-target-label	default, hover, active, focus, disabled	ai-copilot-chat, ai-explorer-drawer
<code>buttons/add-widget-btn</code>	buttons	default	default, hover, focus, active, disabled	dashboard-panel-head, add-widget-flow
<code>buttons/add-widget-tab</code>	buttons	default, with-disabled	default, hover, selected, focus, disabled	add-widget-panel
<code>buttons/ai-generate-btn</code>	buttons	default, icon-only, block	default, hover, focus, busy, disabled	create-widget-modal, add-widget-panel, create-with-ai
<code>buttons/button-ghost</code>	buttons	ghost, with-icon, block	default, hover, active, focus, disabled	create-widget-modal, modal-footer
<code>buttons/button-outline</code>	buttons	default, with-icon, block	default, hover, focus, active, disabled	create-widget-modal
<code>buttons/button-primary</code>	buttons	solid, with-icon, sm, md	default, hover, focus, disabled	create-widget-modal, add-widget-panel
<code>buttons/dashboard-tab</code>	buttons	two-up, with-icons	default, hover, active, focus, disabled	dashboard-panel-header, noc-view
<code>buttons/fab</code>	buttons	default, fixed, lg	default, hover, focus, active, disabled	dashboard-canvas, add-widget-flow
<code>buttons/icon-button</code>	buttons	ghost, badged, ai	default, hover, focus, disabled	dashboard-topbar, ai-copilot-launcher, alerts-tray
<code>buttons/insight-btn</code>	buttons	default, primary, ghost	default, hover, focus, disabled	ai-insights-panel, ai-annotation-popover
<code>buttons/mini-pill</code>	buttons	two-pill, multi-segment	default, on, hover, focus, disabled	create-widget-modal, create-widget-sorting-pane, dashboard-module
<code>buttons/range-pill</code>	buttons	default, static	default, hover, focus, disabled	dashboard-toolbar, timeline-range, create-widget-config
<code>buttons/sidebar-icon</code>	buttons	rail, standalone, with-spacer	default, hover, focus, active, disabled	dashboard-shell, app-nav-rail
<code>buttons/style-chooser</code>	buttons	area, line, bar, hbar	default, selected, hover, focus, disabled	create-widget-modal, dashboard-module

Component	Category	Variants	States	Used on screens
buttons/subbar-action	buttons	default, active	default, hover, focus, active, disabled	dashboard-subbar
buttons/subbar-arrow	buttons	chevron	closed, open, hover, focus, disabled	dashboard-subbar, dashboard-module
buttons/type-tab	buttons	scroll-row, disabled-option	default, hover, focus, active, disabled	create-widget-modal
fields/chat-input	fields	empty, typed	default, focus-within, hover, disabled	ai-copilot-chat, ask-ai-panel
fields/checkbox	fields	box-only, with-label, indeterminate	unchecked, checked, hover, focus, disabled	source-picker-table, create-widget-modal
fields/numeric-input	fields	default, narrow, block	default, hover, focus, disabled	create-widget-modal, create-widget-config-pane, create-widget-threshold-pane, dashboard-module
fields/range-slider	fields	default, with-icon, mid-range	default, hover, focus, disabled	create-widget-modal, style-config-pane
fields/search-input	fields	default, compact, block	default, hover, focus, filled, disabled	dashboard-list-panel, add-widget-panel
fields/select-dropdown	fields	default, placeholder, open, block	default, hover, focus, open, selected, disabled	create-widget-modal, series-config-panel, rollup-config
fields/text-input	fields	default, with-value, focused, required, disabled	default, hover, focus, disabled	create-widget-modal, widget-config-panel
fields/toggle-switch	fields	off, on	default, checked, hover, focus, disabled	create-widget-config, widget-style-panel, dashboard-settings
items/caret	items	glyph, toggle-button	closed, open, hover, focus, disabled	dashboard-picker-tree, dashboard-module
items/chat-message	items	user, ai, typing	default, hover, focus, sending	ai-copilot-chat, ai-explore-drawer
items/count-badge	items	default, sm, lg, teal, red, green, solid	default	dashboard-tree-nav, dashboard-list-panel
items/menu-item	items	default, with-icon, with-shortcut, danger, separator	default, hover, focus, active, disabled	widget-more-menu, widget-header-actions, context-menu
items/severity-badge	items	crit, warn, info, ok, dot	default, hover, focus, pressed, disabled	alerts-widget, events-widget, dashboard-grid-table
items/status-dot	items	ok, crit, warn, info, muted, with-label, dot-only, glow, pulse	default, glow, pulse, disabled	monitor-table-widget, source-picker-modal, create-widget-flow
items/suggestion-chip	items	default, with-icon, active, row	default, hover, focus, active, disabled	ai-copilot-drawer, ask-ai-panel

Component	Category	Variants	States	Used on screens
items/table-row	items	monitor, alert-log, clickable, scroll	default, hover, selected, focus, disabled	dashboard-grid-widget, dashboard-alerts-widget, dashboard-canvas
items/ticker-item	items	critical, warn, link	default, hover, focus, disabled	noc-view, noc-ticker
items/tree-leaf	items	default, active, favouredited	default, hover, focus, selected, disabled	dashboard-picker-panel, dashboard-tree-nav
items/tree-node	items	collapsed, expanded, with-children	default, hover, open, focus, disabled	dashboard-list-panel, dashboard-tree
items/trend-chip	items	up, down, neutral, bare	default, hover, focus, disabled	grid-widget-status, kpi-delta
tiles/empty-state	tiles	default, positive, with-action, compact	default, hover, focus, disabled	ai-insights-drawer, user-defined-widgets-gallery, add-widget-panel, empty-panel
tiles/insight-card	tiles	default, crit, warn, ok, info	default, hover, focus, disabled, dismissing	ai-insights-panel, ai-copilot-drawer
tiles/library-card	tiles	predefined, user-define, grid	default, hover, focus, selected, disabled	add-widget-panel, predefined-widget-gallery, user-define-widget-gallery
tiles/metric-detail-card	tiles	lower-better, higher-better, compact	default, hover, focus, disabled	counter-picker, create-widget-flow, data-source-config, widget-config-panel
tiles/noc-kpi	tiles	neutral, critical, warning, up, down, row, selectable	default, hover, focus, selected, disabled	noc-wallboard, noc-view-header
tiles/noc-tile	tiles	crit, warn, ok	default, hover, focus, disabled	noc-view, noc-grid
tiles/template-card	tiles	default, lib	default, hover, focus, disabled	add-widget-panel, create-widget-flow, widget-library-predefined, widget-library-user-defined
tiles/widget-card	tiles	default, ai-tool, wide	default, hover, focus, disabled, dragging, drop-target	dashboard-canvas, widget-grid, fullscreen-widget
widgets/aiinsights	widgets	feed, alt-seed, static-list, interactive-row	default, hover, focus, disabled	dashboard-grid, create-widget-modal, widget-fullscreen, ai-generate-widget
widgets/alerts	widgets	critical, warning, info, clear	default, hover, focus, disabled	dashboard-canvas, create-widget-modal, ai-chat-answer
widgets/anomaly	widgets	blue, purple, teal, wide-band	default, hover, focus, disabled	dashboard-grid, create-widget-modal, widget-fullscreen, ai-insights-answer, ai-generate-widget

Component	Category	Variants	States	Used on screens
widgets/chart	widgets	area, line, bar, sbar, hbar, sarea, sline, multi	default, hover, focus, disabled	dashboard-grid, create-widget-modal, widget-fullscreen, ai-insights-answer
widgets/events	widgets	default, alternate-seed	default, hover, focus, disabled	dashboard-canvas, create-widget-modal, widget-fullscreen
widgets/forecast	widgets	teal, blue, warn, long-horizon	default, hover, focus, disabled	dashboard-grid, create-widget-modal, ai-insights-answer, ai-copilot-chat
widgets/gauge	widgets	default, auto-threshold, severity-color	default, hover, focus, loading, disabled	create-widget-modal, add-widget-panel, dashboard-grid, noc-wallboard
widgets/grid	widgets	status-up, status-down, scrollable	default, hover, focus, disabled	dashboard-canvas, create-widget-modal
widgets/heatmap	widgets	default, dense, compact, legend	default, hover, focus, disabled	dashboard-grid, create-widget-modal, widget-fullscreen
widgets/map	widgets	default, dense, compact	default, hover, focus, disabled	dashboard-grid, create-widget-modal, widget-catalog, widget-fullscreen
widgets/numeric	widgets	default, tone-cells, compact, live-mount	default, hover, focus, disabled	dashboard-grid, add-widget-panel, create-widget-modal
widgets/pie	widgets	donut, pie, no-legend	default, hover, focus, disabled	dashboard-canvas, add-widget-panel, create-widget-modal
widgets/query	widgets	teal, blue, purple, orange, green, interactive	up, down, hover, focus, disabled	dashboard-canvas, create-widget-modal, add-widget-panel
widgets/sankey	widgets	dependency-flow, alt-seed	default, hover, focus, disabled	create-widget-modal, add-widget-panel, dashboard-canvas
widgets/stream	widgets	default, alt-seed, three-band	default, hover, focus, disabled	dashboard-grid, create-widget-modal, add-widget-panel, widget-fullscreen
widgets/topn	widgets	teal, blue, purple, with-unit	default, hover, focus, disabled	dashboard-canvas, create-widget-modal, ai-chat-answer
widgets/treemap	widgets	default, no-values, compact	default, hover, focus, disabled	dashboard-canvas, add-widget-panel, create-widget-modal
planes/add-widget-panel	planes	docked, drawer, create, predefined, user-define-empty	default, open, hover, focus, filtered, disabled	dashboard-module, add-widget-flow, create-widget-modal
planes/ai-copilot-drawer	planes	insights, ask, drawer	default, open, hover, focus, disabled	dashboard-module, ai-copilot-flow, ai-insights-panel

Component	Category	Variants	States	Used on screens
<code>planes/alert-banner</code>	planes	warning, critical, info	default, hover, focus, disabled, dismissing	dashboard-shell, alert-notification, topbar-region
<code>planes/canvas</code>	planes	default, with-wide-widget, empty	default, hover, focus, disabled	dashboard-module
<code>planes/counter-picker</code>	planes	default, empty, floating	default, hover, focus, selected, filtered, disabled	create-widget-modal, data-source-config, add-widget-flow
<code>planes/create-widget-modal</code>	planes	create, edit, overlay, style-pane, sorting-pane, markers-pane, timeline-pane	default, hover, focus, selected, on, disabled	dashboard-module, add-widget-panel, dashboard-grid
<code>planes/dashboard-panel</code>	planes	dashboard-tab, noc-tab	default, hover, focus, expanded, selected, disabled	dashboard-shell, dashboard-module, noc-view
<code>planes/logo</code>	planes	default, sm, lg, stacked, mark-only	default, hover, focus, disabled	topbar, app-chrome
<code>planes/noc-wallboard</code>	planes	default, filtered	default, filter-active, ticker-paused, hover, focus, disabled	noc-view, dashboard-module, dashboard-panel-tab
<code>planes/overlay</code>	planes	scrim, strong, with-dialog, contained	hidden, open, dismiss: hover, dismiss: focus, dismiss: disabled	add-widget-panel, create-widget-modal, ai-insights-drawer, widget-fullscreen
<code>planes/popup-menu</code>	planes	static, floating, end, with-search, with-groups	default, open, hover, focus, disabled	widget-more-menu, counter-picker, source-picker, ai-insights, context-menu
<code>planes/ruler</code>	planes	default, now-marked	default, hover, focus, grabbing, disabled	dashboard-module, dashboard-canvas
<code>planes/shell-layout</code>	planes	default, panel-open, no-banner	default, panel-open, disabled	dashboard-module, noc-view
<code>planes/sidebar</code>	planes	full-rail, state-showcase, compact-disabled	default, active, hover, focus, disabled	dashboard-shell, app-nav-rail, global-navigation
<code>planes/source-picker</code>	planes	open, floating, with-trigger, no-results	default, hover, focus, selected, indeterminate, filtered, disabled	create-widget-modal, data-source-builder
<code>planes/subbar</code>	planes	default, starred, panel-open	default, hover, focus, panel-open, starred, disabled	dashboard-module
<code>planes/toast</code>	planes	success, info, error, warning, transient-host	default, show, hiding, close: hover, close: focus, close: disabled	dashboard-canvas, add-widget-panel, create-widget-modal, ai-insights-drawer
<code>planes/topbar</code>	planes	default, badged-icon, ai-icon	default, hover, focus, disabled	global-chrome, dashboard-shell, ai-copilot-launcher, alerts-tray

Component	Category	Variants	States	Used on screens
planes/widget-fullscreen	planes	default, contained	hidden, open, hover, focus, disabled	dashboard-module, canvas, create-widget-modal
